

# March 5, 2024 Primary Election

## Early Voting Schedule

You don't have to wait until Election Day to cast your ballot! Any eligible Alexander County voter may vote at either of the 3 early voting locations starting **February 15 until March 2**.

"Early Voting" is in-person absentee voting. Early voting provides an all-purpose solution for those seeking to:

- avoid potential voting delays on election day;
- vote on convenient days and during non-working hours;
- avoid any registration conflict that could trigger the necessity of a provisional ballot on election day;
- update their voter records in their county of registration if they have moved since last voting; or
- register to vote if not registered in the county (must provide proof of residence)

**EARLY VOTING WILL NOT BE AVAILABLE AT THE  
BOARD OF ELECTIONS OFFICE**
