

November 5, 2024 General Election

Early Voting Schedule

During the Early Voting period, voters may cast a ballot at any of the Early Voting sites in Alexander County. This is different than Election Day, when registered voters must vote at their assigned polling place.

Early Voting provides an all-purpose solution for those seeking to:

- avoid potential voting delays on election day;
- vote on convenient days and during non-working hours;
- avoid any registration conflict that could trigger the necessity of a provisional ballot on election day;
- update their voter records in their county of registration if they have moved since last voting; or
- register to vote if not registered in the county (must provide proof of residence)

EARLY VOTING WILL NOT BE AVAILABLE AT THE BOARD OF ELECTIONS OFFICE
