

## Early Voting Locations:

Absentee One-Stop Voting – or “early voting” – permits a person to request an absentee ballot in-person, receive the ballot and cast the ballot at any one-stop site in the county. The early voting period begins on the third Wednesday prior to the date of an election and ends on the last Saturday before Election Day. During the early voting, voting hours vary by county and location. Voters should check the one-stop absentee schedule in their county to determine specific hours for each early voting site. The schedule for early voting is typically posted by the start of the period for absentee voting by mail.
