Jon Pilkenton, Director
Planning and
Development
6125 NC Hwy 16 South
Taylorsville, NC 28681
(828) 632-1114 (P)
(828) 632-1095 (F)

jpilkenton@alexandercountync.gov

NOTICE: For Immediate Release

BEGINNING FEBRUARY 1, 2018

To better serve our customers in the future, please read the updated policies regarding inspection requests.

- Inspection requests will only be scheduled once a trade permit application has been completed. Incomplete applications will not be accepted.
- Each subcontractor working on a job site must complete a trade permit application.
- All permits will now be assigned a project number and that number must be used when you call for an inspection.

These changes are a result of implementation of new computer software that will better able us to serve you. We sincerely ask for your patience as we continue with upgrades within our department.

Thank you,
Alexander County Planning and Inspections Staff
