MEDICARE OPEN ENROLLMENT

Re: **Medicare Part D (Drug plans) Medicare Open**

Enrollment (OEP) runs from Oct 15th to Dec 7th.

All you need to do is call us **828-632-1717**, and we can take all your information over the phone.

We will run your medicines through the Medicare database to see which plan is cheapest for you, and call you with the results starting in late October.

The Senior Center activities are only open to people 60 and over. We are dedicated to serving our older population and are funded specifically for them.

Happy Thanksgiving
