

**ALEXANDER COUNTY
GOLDEN LEAF FOUNDATION (GLF)
ALEXANDER INDUSTRIAL WASTEWATER PROJECT
REQUEST FOR QUALIFICATIONS (RFQ)
ENGINEERING SERVICES**

Alexander County has applied for a Golden LEAF Foundation (GLF) Grant to expand an existing wastewater system in the Alexander Industrial Park. The project includes the installation of approximately 876 LF of 8 inch gravity sewer, installation of four manholes, installation of a 4 inch service line and a six inch service line. The project will also include one stream crossing. The County is seeking professional engineering services to, design, permit approval, bidding, construction inspection and contract administration through the final certification on the project.

Qualifications should be submitted via e-mail by 2:00 pm on Friday, April 23, 2021. Interested firms must submit qualifications to Economic Development Director David Icenhour at dicenhour@alexandercountync.gov. Alternate submission methods can be accommodated as necessary. Please limit your proposals to 15 typewritten pages.

In addition to qualifications, the submittal should include labor rates by category including overhead and profit, travel costs, and should list reimbursable expenses not covered by overhead. Alexander County reserves the right to accept a firm that is most advantageous to the County. Selection will be made based on evaluation factors of past performance, experience with the project type and funding requirements, professional personnel, experience and availability. Awards will be made to the responsible/qualified firm whose qualifications are most advantageous to the program.

Information concerning the project along with scheduling site inspections (should your firm desire) may be obtained from David Icenhour, 828-352-7755.

The County is an Equal Opportunity Employer, promotes Fair Housing practices and encourages small, minority and female-owned businesses to submit qualifications.
