ALEXANDER COUNTY STERLING ROAD PROJECT
RFQ for ENGINEERING SERVICES**

Alexander County, North Carolina is requesting statements of qualifications from qualified professional civil engineers for the design, bidding, and construction oversight upgrades for Sterling Road. The project proposes to pave 390' LF of roadway constructed to NC DOT standards. The County is seeking professional engineering services to develop and successfully receive approval for NC Department of Commerce design, approval, bidding, construction inspection and contract administration through the final certification on the project.

Qualifications must be submitted by 5:00 pm on Thursday, February 29, 2024. Interested firms must respond in writing addressed to Shane Fox, County Manager, 621 Liledoun Road, Taylorsville, NC 28681, 828-632-9332. Please limit your proposals to 15 typewritten pages or less if practical and provide three (3) copies of the RFQ.

RFQ submissions must include at a minimum: 1. Individual or Firm Information: firm's legal name, address, email, and telephone number, the principal(s) of the firm and their experience and qualifications; 2. Public Utility Experience: The specialized experience and technical competence of the staff to be assigned to the project with respect to sewer improvements, description of firm's prior experience, including any similar projects, size of community, location, total construction cost, and names of local officials knowledgeable regarding the firm's performance on related work. Include at least three references within the past three years; 3. Firm Capacity and Capability: The capacity and capability of the firm to perform the work, including specialized services, within the period of the grant, the past record of performance of the firm as to such factors as cost control, quality of work, and ability to meet schedules; description of firm's capability of carrying out all aspects of related activities, and firm's anticipated availability during the term of the project – if using sub-consultants/contractors must provide complete list and qualifications in the submission package, and 4. The proposed work plan and schedule for activities to be performed. (Compliance with state and federal debarment requirements required for contract award.) Submissions will be evaluated according to the following factors equally: 1. Qualifications, Competence, and Reputation of Firm, and Personnel; 2. Firm's Capability to Meet

Time and Project Budget Requirements; 3. Project Workload of Firm; 4. Related Experience on Similar Neighborhood Revitalization Projects.

Awards will be made to the responsible/qualified firm whose qualifications are most advantageous to the program after review of a committee and recommendation to the County Commission for approval to negotiate a contract price.
