D) VARIANCE REQUEST:

TO THE ALEXANDER COUNTY BOARD OF ADJUSTMENT:

I/We hereby petition the Board of Adjustment for a variance from the literal provisions of the Alexander County Zoning Ordinance. I/We are requesting a variance from the provisions of Chapter 154.079, so that the property can be used in a manner indicated by the attached site plan and more specifically described below:

LOT SIZE: Required Size: _____ Requested Size: _____

SETBACK: Front, Rear, Side Or Street Side: _____
 Required Setback: _____ Requested Setback: _____

BUILDING HEIGHT: Required Height: _____ Requested Height: _____

2) IN ORDER TO ALLOW: _____

E) REQUIRED FINDINGS OF FACT:

The Board of Adjustment does not have unlimited discretion in deciding whether to grant a variance. Under state law, the Board is required to reach three conclusions as a prerequisite to the issuance of a variance:

- 1) *There are practical difficulties or unnecessary hardships in the way of carrying out the strict letter of the Ordinance;*
- 2) *The variance is in harmony with the general purpose and intent of the Ordinance and preserves its spirit; and*
- 3) *In granting the variance, the public safety and welfare have been assured and substantial justice has been done.*

Answer the following questions in the space provided below or on a separate sheet of paper:

- A) *There are practical difficulties or unnecessary hardships in the way of carrying out the letter of the Ordinance.* The courts have developed rules to determine whether in a particular situation “practical difficulties or unnecessary hardships exist. State facts and arguments in support of each of the following.

- 1) The hardship of which the applicant complains results from unique circumstances related to the applicant's land. (Hardships suffered by the applicant in common with neighbors do not justify a variance. The existence of a non-conforming use of neighboring land, buildings or structures shall not constitute a reason for a variance. Also, unique personal or family hardships are irrelevant since a variance, if granted, runs with the land and not with the ownership thereof.)

- 2) The hardship is not the result of the applicant's own actions.

- B) ***The variance is in harmony with the general purpose and intent of the Ordinance and preserves its spirit.*** (State facts and arguments to show that the variance requested represents the least possible deviation from the letter of the Ordinance that will allow a reasonable use of the land and that the use of the property, if the variance is granted, will not substantially detract from the character of the neighborhood.)

- C) ***The granting of the variance secures the public safety and welfare and does substantial justice.*** (State facts and arguments to show that on balance, if the variance is denied, the benefit to the public will be substantially outweighed by the harm suffered by the applicant.)

F) REQUIRED SIGNATURES:

I/We certify that I have completely read the application and understand the guidelines as listed above. I/We, the undersigned, do hereby certify that all information given above is true, complete and accurate to the best of my/our knowledge.
